P.E. & Sports Grant 2019 - 2020

Funds available = £19,470

Links to current priorities

1. Pupil outcomes: to ensure that all pupils make at least expected progress in both English and maths, with a concerted focus on mathematics.
2. Maintain a broad and balanced curriculum which is accessible for all, healthy and exciting, maximising the potential of the learning environment.

The Sport Funding has a number of wider aims:

- to develop higher quality and more effective teaching of P.E. (including effective planning)
- to enhance children's breadth of experiences, enjoyment and engagement in P.E.
- to increase confidence and skills in teaching P.E.

Objective	Details of how money will be spent	Estimated spend	Actual Sports Fund Spend	Expected Impact	Evaluation / Sustainability and next steps	Person Responsible
Focus on high quality P.E., personalised CPD and sustainability.	RSSP Sports Premium SLA <ul style="list-style-type: none">• P.E. Conference• YST Membership• AfPE Membership• Personalised CPD• SEF toolkit	£2850	RSSP - £1,300 YST-£200 Borough -£200 PE Power-£250 SLA-£450	High quality CPD Access to specialists in teaching and assessing P.E.	Continued membership to allow CPD and entry to all tournaments	Lynne Wright
Raise confidence and standards of	For every class teacher in year 3 /6 Hockey level 2 coach to take each class on a rota for 3 hockey sessions (Autumn Term)	£1,800	£1,450	Increased knowledge of hockey skills and	Curriculum lessons positively received by the children and great to see children more	Lynne Wright

teaching and learning in P.E. lessons.	Teachers to take CPD opportunity to observe ,take notes and amend planning (hockey club for year 4 /5 Autumn Term Hockey Club for year 6 Spring Term) – 8 sessions	No Cost £25 each session		how to provide quality lessons. Children to acquire hockey and teamwork skills. Encourage participation of children not already in sports clubs, priority given to PPG children. To encourage children to move beyond school and join a hockey club.	reluctant in PE lessons more engaged during the hockey sessions. Year 4/5 club very well received with over 20 children attending each week. Great to see the enthusiasm and enjoyment in the sessions, especially from children not involved in any other sports extra-curricular clubs.	
Encouraging more girls to be involved in team sports	<ul style="list-style-type: none"> Sportstars4life football coaching Specialist coaching for the girls football teams. Extended this year to 2 girls teams 	£45 Per session	£2,700	A greater interest in team sports for girls and those playing in the team will go on to join girls' football clubs in the	Great turn out for trials and easily enough to select 2 teams from. Really pleased to see several girls in the A team joining out of	Lynne Wright

				needed for team play in upper school.		
Integrate an assessment system for PE	Initial meeting with SLT to discuss system INSET to explain and introduce system to staff.			Effective and informative assessments to inform planning and teaching and assess skills acquired by the children. (Piloted in 2018/2019 academic year)	System I had trialled was not seen as appropriate for assessment. New scheme of work bought which had integrated assessment linking to outcomes from lesson. (piloted by 6W in Autumn Term, INSET time set aside to introduce to all staff)	Lynne Wright
Give children the experience of being coached by a qualified swimming coach and raise confidence and skills levels within the swimming team.	1 x twilight session trialling for squad (1 hour pool hire) 4 x morning sessions for team practise (4 hours pool hire) 4x quarter day supply cover (me coaching team) 2x qualified lifeguards	£103 £103 x 4 FREE £25 x2 X5	Mall: £450 Lifeguards:£250	Allow children to experience a competitive swimming environment with the confidence and skills to compete effectively with their peers.	Great team spirit. Excellent to see a large amount of lower school who were capable swimmers competing for places in team. Not many children trying out for year 5 and 6 places! Is it worth having a look at giving upper school children an opportunity	Lynne Wright

children. Extended on the opportunity In developing role of year 6 children as sports leaders	Autumn term – 4/5 PE leaders to each club Spring Term – 4/5 PE leaders to each club Summer Term – 4/5 PE leaders to each club	training and Thursday club (possibly then handing over to Justin in Spring term)		working day. Empowering year 6 children as sports leaders; inspiring and teaching their younger peers	Mature and responsible approach to training sessions. Autumn Term team really engaged in their role and greatly enjoyed mentoring the younger children.	
Give more opportunities for younger children (year 3 and 4) to be involved in borough run tournaments and events. Expand the events we enter as a school	Sportstars4life coach Justin released to support with the events and involvement in training children where needed	£140 per whole day event	£1,120	Children in lower school involved in more competitive events in the borough. Involvement as a school in a wider range of sporting events in the hope of a wider range of children involved in teams.	Works really well have a consistent member of staff at sports events and allows other teachers to attend and experience events with children in their year group.	Lynne Wright

	Swimming gala x2 (half days) Key steps Gymnastics Gaelic football (not borough event)				Chasebridge international rugby – Very early on in season so little training, really impressive performance being knocked out in semi-final by Italian year 7 team.	
	Sports Equipment + kits	£2000	£1,880			
	Total:		£19,610*			

* An overspend was predicted on the Sports Grant, which was going to be funded from School Funds and PTA Funds. However, due to cancelled sporting events, the spending remained within the grant funds received.

Swimming Audit – end of year

Percentage of children from current year 6 cohort who swim competently, confidently and proficiently over a distance of 25 metres	66%
Percentage of year 6 cohort who can use a range of strokes effectively	36%
Percentage of year 6 cohort who can perform safe self-rescue in different water based situations	9%
Use of sports funding over and above national curriculum requirements?	£0
