Trafalgar School Uniform Policy

Reviewed by PPC Committee Autumn 2019

Next Review: Autumn 2020

This policy was written in consultation with the Federation Governing Body and class reps of Trafalgar Infant and Junior Schools.

Rationale

The Trafalgar School Uniform Policy promotes a sense of continuity across the Federation and we ask that all parents support this policy by ensuring their children come to school appropriately dressed. Having a uniform helps maintain a definite school identity, provides instant identification while on school trips, promotes health and safety standards and avoids the problem of the 'fashion parade'.

Our schoolwear is competitively priced and blends easily with shop bought items. Uniform with the school logo can be purchased from local retailers, details of which are published in the Useful Information Section of both school Parents' Handbooks and on their websites.

Sew-on or iron-on school badges are available directly from both school offices.

Uniform Items

School uniform colours are grey, green and white in the Infant School and black, green and white in the Junior School. A full list can be found in Appendix A below.

Naming your child's clothing and school items

We ask that parents ensure all their child's clothing and school items are clearly named (preferably full name) with a label or written in permanent marker or biro.

Jewellery & Watches

For the Infant School our policy is no jewellery or watches and for the Junior School our policy is no jewelry but children may wear a discrete watch. If a child has pierced ears, small studs are allowed. Ear studs must be removed for P.E. and games for safety reasons.

Hair

For health and safety reasons parents should ensure long hair is tied back. We also ask that you avoid radical or dyed hair styles.

For staff and Governor information only
