

Trafalgar's KS2 SATs Results For 2023

Summary Findings:

- This year, the proportion of Trafalgar's pupils reaching the expected standard in maths, writing and SPAG has risen considerably from last year's school results, and is well above this year's national levels.
- In reading, 86% of the children reached the expected standard, which is 13% higher than the national average. 54% achieved greater depth in reading, which is an 8% improvement on last year's results.
- The number of pupils achieving greater depth rose in all subjects this year, up from our results last year, and considerably higher than the national greater depth averages for this year.
- Overall, the proportion of our key stage 2 pupils reaching the expected standard in all three areas of reading, writing and maths is 71%, which is 12% higher than this year's national average of 59%, and 8% up on our results last year.
