

Outstanding KS2 SATs results for 2024

The National Key Stage 2 SATs results were published this week, and we are thrilled to announce the initial outstanding results for our school.

- At Trafalgar, our Y6 pupils significantly surpassed the national average across all subjects. Children met or exceeded our school's targeted expected standard across the board.
- In Reading, Writing and GPS (Grammar, Punctuation and Spelling) our pupils not only met but also exceeded the school's targeted GDS (Greater Depth Standard).
- This exceptional performance reflects the dedication of our pupils and staff, and we are incredibly proud of their hard work and achievements

SATS Highlights:

- **English Reading:** Our children scored significantly above the national average (+12%), demonstrating their strong comprehension and analytical skills.
- **English Grammar, Punctuation, and Spelling:** Exceptional performance, achieving 14% above the national average.
- **Mathematics:** Outstanding results, 11% above national average, with students showcasing excellent problem-solving abilities and numerical understanding.
- **Science:** Science outcomes were 10% above national average, showing a good base of scientific skills and knowledge to prepare them for secondary school.
